### **Delaware Law requires a Communication Contact. What is that?**

As your Registered Agent, the State of Delaware requires us to keep a Communications Contact for your company on record within our files so we can forward any legal documentation we receive for the company in a timely manner. By definition, the Communications Contact must be a living person who is a manager, officer, director, shareholder, member, employee or designated agent who is authorized to receive notices from the company's Delaware Registered Agent. This person must also be able to produce management and ownership names and contact information in the event of a legal matter such as a lawsuit or subpoena. This person must be at least 18 years of age.

In other words, the Communications Contact must have the ability and authority to receive, handle and appropriately reply to the correspondence we may forward. If this is incorrect, please let us know at your earliest convenience. Failure to keep the information up-to-date and valid can result in having to resign as the company's Registered Agent in Delaware. This will leave the company without a Registered Agent, which places the company in a forfeited (or "inactive") status.

### **This is the information currently on file for the Communications Contact:**

Did you know we offer many services other than formation/registered agent services? Below is a description of some of our popular services:

## **Foreign Qualification:**

Many companies choose Delaware as their state of formation to take advantage of the strong corporate law structure but they do not actually do business in the State of Delaware. If your business will operate in a state other than the State of Delaware, a foreign qualification filing will typically be required. This filing allows a company to transact business in a jurisdiction other than where it was formed. Since every state has their own requirements to foreign qualify, let HBS take care of this detail for you.

## **Good Standing Certificates (Also known as Certificates of Existence):**

A certificate of good standing may be required by many different parties, such as banks or different states. We can obtain a good standing from the State of Delaware for you from the State of Delaware. You may place the order online, [www.delawareinc.com/gstanding](http://www.delawareinc.com/gstanding), or contact us by email, phone or fax.

## **Tax ID Service:**

We can obtain the Federal Tax Identification Number for your Delaware Corporation or LLC. The Federal Tax Identification Number, also known as a company's "EIN", is mandatory for opening US bank accounts, obtaining loans, hiring employees, or conducting business in the United States. Our service eliminates the hassle of dealing with the IRS.

## **Mail Forwarding Services:**

All mail forwarding services can be viewed at our website: [www.delawareinc.com/ourservices/mail-forwarding](http://www.delawareinc.com/ourservices/mail-forwarding)

## **Premium Mail Forwarding & Telephone**

Our best Mail Forwarding package includes the authorization to use our address as your mailing address as well as your own Delaware telephone number. We will scan all of your incoming mail and email it to you. You will receive a Delaware phone number (302 area code) that will automatically be forwarded to any domestic phone number you provide so that your clients may contact you.

## **Basic 12 & Deluxe 50 Mail Forwarding**

Pay for 12 or 50 email scans to be used as needed. We scan each piece of mail received, email it to you and hold the physical mail for one (1) week. Within that time frame, you can request to have the mail sent to you. After one (1) week, the mail is securely shredded on site.

Many of our other services can be found on our website: [www.delawareinc.com/ourservices](http://www.delawareinc.com/ourservices).
